- 1.) The fee schedule for the 2022 breeding season will be as follows:
 - o The **Chute Fee of \$650** covers semen collection and processing, semen extender, container rental, and stallion management expenses. It will include **(1) Fedex Express Overnight Shipment, OR (2) at Farm Pick-Up Shipments, OR (1) Airport Counter to Counter Shipment** (airport courier fee \$200 NOT included in Chute Fee).
 - o For each **additional shipment a \$275** fee will be added. This fee will include (1) FedEx Express Overnight Shipment, OR (1) at Farm Pick-Up Shipment, OR (1) Airport Counter to Counter Shipment (airport courier fee \$200 NOT included in Chute Fee). In the case of subsequent shipments, any additional shipping fees **MUST** be paid prior to the shipment being released.
 - o If expedited shipping is requested (such as First Priority Overnight) or if FedEx shipping costs increase more than anticipated, **additional shipping charges may apply**.
 - o **For Airport Service Requests**, Santa Lucia Farm will choose the airline and flight which will best accommodate the shipment and confirm it is satisfactory with the recipient prior to shipment.
 - o *A 3% credit card processing fee will apply to any **Stallion Breeding Fee** by credit card. All other fees can be paid by credit card without this processing fee.
- 2.) Payment of the **\$650.00** Chute Fee will be prepaid by check or credit card prior to shipment. **All fees must be paid in full and mare's REGISTRATION PAPERS and COMPLETE PAPERWORK must be received by Santa Lucia Farm prior to shipment.** The customer agrees that with each shipment request, their credit card on file will be charged for any additional fees not included in the original Chute Fee Payment on that day of collection. These collection and processing fees are non-refundable. We accept Visa, MasterCard, Discover or American Express.
- 3.) **Santa Lucia Farm MUST be notified by 5pm Pacific Standard Time the day prior to semen shipment.** The request confirmation or cancellation for a shipment must be made by 8:00 am PST of the collection day. Do not leave messages on answering machines or voicemail as your only request. **The customer should inquire of any stallion restrictions or schedules prior to their mare coming into heat.**

Stallions are collected: Mondays, Wednesdays, and Fridays

- 4.) Semen will be shipped to booked mares only, mares on the premise of Santa Lucia Farm have priority for semen. **Santa Lucia Farm makes no guarantee that cooled shipped semen will be available for a specific day.** Cooled transported semen will be shipped on a first ordered, first served basis. Mare owner understands that shipped semen requests should only expect one breeding dose. Two breeding doses will be shipped only if available.
- 5.) The customer understands that **deliveries are not guaranteed** and agrees with the service conditions, Declared Value, and Limit of Liability of any courier service appointed by Santa Lucia Farm.
- 6.) The Equitainer or Box must be returned within 3 business days to Santa Lucia Farm from the date received. A Late Fee of \$25.00 will be charged per day if the Equitainer/Box is not returned promptly. The following fees will

SANTA LUCIA FARM, INC.
 1924 West Highway 154, Santa Ynez, CA 93460

breeding@santaluciafarm.com

2022 Cooled, Transported Semen Contract: Standing Stallions

apply if Equitainer/Box is not returned with all the contents: Isothermalizer \$100.00, Plastic Cup and/or Lid \$10.00, Coolant Can/Pack \$30.00. Please use Fed Ex or UPS courier services for either Equitainer/Box and insure Equitainer only for \$300.00. If the shipping container is not returned, a charge of \$300.00 for Equitainer and \$50.00 for box will be applied to the credit card on file.

Return address: Santa Lucia Farm, 1924 W. Hwy 154, Santa Ynez, CA 93460

- 7.) Santa Lucia Farm does not guarantee the fertility of any stallion but agrees to process each ejaculate to optimize 24-hour post cool motility and subsequently fertility. Santa Lucia Farm shall not be held liable for contamination of semen during or after shipment, loss of viability, or any costs arising from shipments delayed, damaged, or lost in transit. It is recommended to inseminate the mare within 24 hours of semen collection. Mare owner agrees to use all cooled semen provided by this contract for the mare named in this agreement and no other.
